Do not remain attached to worldly ways of thinking and behaviour. You know better. Hence, claim your freedom by embracing your call to holiness. The call to holiness, which is the normal call, is our call to live as a Christian, namely living as a Christian is the same as saying 'living as a saint'. Many times we think of holiness as something extraordinary, like having visions or lofty prayers ... or some think that being holy means having a face like that in a cameo ... no. Being holy is something else. It is to proceed along this path that the Lord tells us about holiness. And what is it, to proceed along the path of holiness? Peter says it "Put all your hope in that grace that will be given to you when Jesus Christ manifests Himself."

Pope Francis
