**EXAM TIME:** As the students have commenced the Leaving & Junior Certificate exams this week our thoughts and prayers of all in the parish accompany those undertaking state exams.

An Exam Prayer:

God stay with me today guide my study, my light my way.

Ease my nerves and comfort me with peace and love so tenderly.

May I remember the things I need and understand all the study I read.

May I strive to give my best and do myself justice in each test.

May the topics I know and like appear on the exam paper to lessen my fear.

And during the moments I may feel stressed I'll try to remember the way I'm blessed.

And if there are times I feel at sea, Help me to trust that you are here with me.

Amen.

### **Novena prayer to the Sacred Heart for Vocations**

Most Sacred Heart of Jesus, place those whom you are calling to be priests next to Your Heart.

May they find refuge in Your Heart, and there, hear your invitation to love and serve.

May their hope in Your Heart empower them to cast away all fears and worries.

May this hope assist them to brighten lives of the faithful.

May their love within Your Heart grow to serve You with great desire in every detail, and release this love with the open-hearted purpose of service for souls, seeing Christ in all, despite any sins or weaknesses.

O Most Sacred Heart, increase their faith, hope, and love. O Lord of the harvest, send many faithful workers into your vineyard. Amen.

### PARISH PASTORAL ASSEMBLIES

Bishop Deenihan and Fr Derek Darby met with priests and chairpersons from Parish Pastoral Assemblies in the **Ratoath Deanery** area recently. Bishop Deenihan expressed his deep appreciation for the commitment and time given by members of Pastoral Assemblies to their parishes. He outlined some of the opportunities emerging across the Diocese and invited assemblies to begin exploring ways they can work more collaboratively with their neighbouring parishes, share resources, and support ongoing faith formation and evangelisation to ensure the sacramental life of parishes can be supported and developed as we plan for ahead for the future.
